

Robert Hensley & Associates is pleased to announce that its brokers will now be allowed to run their own term insurance quotes directly from our website! By popular demand, Broker will be able to enter the client information and view a personal result along with downloading any current applications/forms that they would need to complete the sale. We will be adding more forms to the site in the near future, but we have a substantial amount to start, so feel free to take a look!

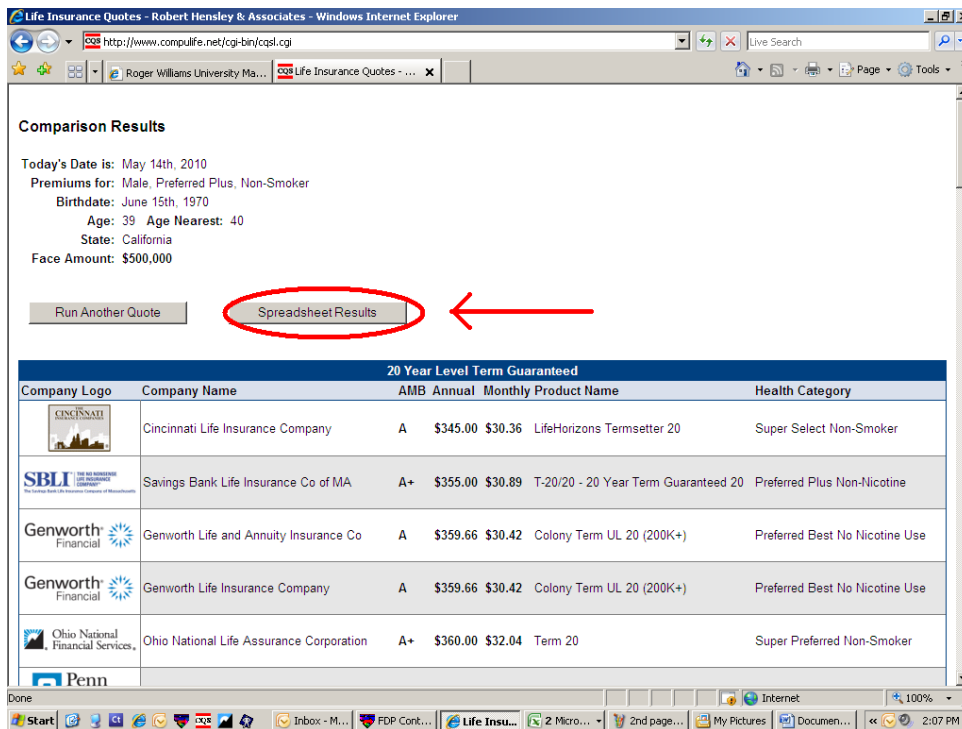

Running Term Quotes:

1. Log on to www.hensleyassociates.com
2. In the bottom left hand corner of the home page click "Contact us for a quote" and 2 options will appear:
 - a. "E-mail underwriter" – This will request basic information on your client and send an email to an in-house underwriter who will contact you with an answer.
 - b. "Run term quote" – Click this option to run your own term comparison spreadsheet!

3. After you have entered all of your clients information in the fields, select “Compare Now”

4. After you have received the results of your quote, select “Spreadsheet Results”.
 - a. This will give you a printable version of the top 6 carriers that were quoted.
