

Website Navigation

Recently, there have been a few changes to our website to benefit our brokers and clients. We have given our brokers the ability to download forms and applications, provided a page that states all of our carriers and what products we use with them, built a quoting system, and a introduced a Facebook page. Below is a short explanation of how to easily navigate through the website.

Log on to www.hensleyassociates.com

1. Downloading Applications:

- a. From the home page, select “AGENT/BROKER” in the top right hand side.
- b. In the left hand column, under “AGENT/BROKER”, select “Forms”.
- c. You will now have to enter a password to proceed to the forms page. The user name is “hensley” and the Password is “formsrhere”
- d. As of right now, you can download applications for our 3 main life carriers. We will be continuously adding more and more applications/forms as we move along. If there is something that you would like to have on there, please feel free to let us know.

2. Accessing our Carriers Page: To give our clients and brokers a better idea of who we represent, we have developed a carriers page to inform you of who we work with and what products we provide

- a. From the home page, select “AGENT/BROKER” or “INDIVIDUAL”
- b. On the next page in the left hand column select “Carriers”
- c. Here, you will be able to see what carriers we represent and by moving your curser over the company logo, you will be able to see what types of insurance we sell through that carrier. Also, by clicking the logo, you will go to that carriers home page if you require more information.

3. Requesting a Quote: We want our brokers to feel that they submit a quote at any time of the day. We gladly accept e-mailed quote requests, faxes, or phone calls as well.

- a. From our home page, select “Contact Us For a Quote”
- b. From this page, just fill in the needed information and your quote will be sent back to you in the form that you would like to be contacted.

4. Finding us on Facebook: To keep in touch with all of our clients and brokers, we have developed a Facebook page. On this page we will give current updates on events that we are sponsoring, seminars that we are holding, and any other news that we feel the public should be aware of.

- a. From our home page, select “Follow us on Facebook” in the bottom right hand corner.
- b. To become a fan of RH&A, you must log into Facebook. At the top of the page select “Become a fan”. This will make it so that you will be aware of any changes or updates that are applied through your facebook account.
