April 2011

STATEWIDE AVERAGE PRIVATE PAY RATES FOR NURSING FACILITIES IN CONNECTICUT

Type of Service	Average Daily Rate ¹	Average Annual Rate ²	% Change from Previous Year	Annual % Change Over Past Five Years	Avg. Annual Inflation Rate (1988 – 2010)
Skilled/Intermediate Combined	\$ 348	\$ 127,000	+ 2.1%	+ 4.1%	+ 5.7%
After 5% Partnership Discount*	\$ 331	\$ 120,700			

* CT State law requires CT nursing facilities to provide, at a minimum, a 5% discount on the nursing facility rate to every person that owns a CT Partnership-approved long-term care insurance policy. Actual (not rounded) figures were used to calculate the 5% discount.

Please note that the “Average Daily Rate” shown above refers to a weighted average of the rates charged on September 30, 2010 for a **semi-private room** in Connecticut nursing facilities as reported in the following pages.

The actual daily charge in a specific nursing facility may be higher than what is reported due to subsequent changes in the daily rate and/or due to additional fees for items, such as, prescriptions, “unbundled” services (some facilities may charge extra for certain therapies, like physical therapy), telephone, cable TV, linen services, and hair care.

¹ Source: State of Connecticut, Office of Policy and Management, Survey of Nursing Facilities. Rates are effective as of September 2010 and have been rounded to the nearest dollar. Actual (not rounded) figures were used to calculate percentage change.

² Average annual nursing facility rates have been rounded to the nearest \$100.00. Actual (not rounded) figures were used to calculate the average annual rates.

2010 Average Private Pay Rates for Connecticut Nursing Facilities by Town

	Facility Name	City	Beds	Private Room Rate	Semi-Private Room Rate
CCNH	Hilltop Health Center	Ansonia	90	\$425.00	\$385.00
